

Townsend Lawn Tennis Club

We are a Clubmark Club

We are proud of our Clubmark status which provides LTA endorsement for the Club's policies towards junior development, our tennis programme, overall Club management, policies and procedures.

Townsend Lawn Tennis Club is one of the premier sports clubs in Hertfordshire with Ladies, Mens and Junior teams playing at very high level in the local area and beyond. The Club welcomes players of all standards; whether you want to play just for fun or compete at the highest levels. It is situated about half a mile from St. Albans city centre.

We have active club nights for adults: Ladies on Tuesday, Men on Wednesday and mixed on Fridays. These Club nights are for all standards, mixing in and socialising in the bar is all part of the experience.

Socialising is part of Club life

- Six artificial grass courts (three of which are floodlit)
- Two porous acrylic courts
- Social nights for all standards and types of play
- Competitive play in inter-club leagues and Club tournaments
- Social tournaments throughout the year
- PCA Level 3 Coach and supporting team
- Coaching for all standards and ages including squads and individual lessons
- Table Tennis club and team
- Professionally staffed bar open all year
- Large clubhouse with excellent facilities available for hire upon request
- Programme of social events run throughout the year

Junior development is a fundamental part of Club life - they are the future of the Club. Under the guidance of head coach, Matt Foster, we have a thriving

junior section with classes for players of all standards and their own Club night on Monday evenings.

Matt Foster with his coaching Partner, Neil

We have eight courts in total; six are short-pile artificial grass and two are porous acrylic. Three courts are floodlit for evening play all year round; there is a booking system for these courts in the winter.

Floodlit courts for year round play

The Clubhouse has a professionally staffed bar with comfortable areas for relaxing and socialising. It has a table tennis table, pool table, a well-equipped kitchen plus changing facilities for women and men with showers.

There is a full programme of social events including barbecues, quiz nights, Christmas suppers, Wimbledon ticket draw, Friday night suppers, games evenings, Burns night and many more.
